HEDGE 2009-2010
Class Registration Form

Please complete one form per student. To ensure that your student is enrolled in the correct classes please fill in all requested fields on this form for every class. ***List Tuesday classes first, followed by Thursday classes.*** You will be notified if a class you register for is full. You must list any time periods in which a student is on campus but not in a class as a study hall. Students who are not in a class but are on campus will have a common area in which to stay during that time, and they will be enrolled in this common area for the duration they are not in class.
